**Concerning the Airing of a Public Service Announcement for the Albuquerque Public Schools Containing a Local Candidate for District Judge**

The public service announcement for the Albuquerque Public Schools was delivered to KOB TV from the New Mexico Broadcasters Association on September 18<sup>th</sup> 2012 and began airing on Thursday, September 20<sup>th</sup> and was pulled from air on Tuesday, October 2<sup>nd</sup>, 2012.

The candidate, Judge Walton, is on the spot for 5.9 seconds. Her opponent is Christine Argyres.

The schedule of where and when the announcement aired on KOB TV is attached.

This was not a paid spot on Judge Walton's behalf; it was given to the station as a public service announcement for the public schools. We were not advised that Judge Walton was on the announcement.

As soon as we were advised Judge Walton was on the announcement, we removed it from air play.
